Quick Questions

What if my collection is missed?

If your collection is missed, please wait until the next working day to report it, and within four days of your usual collection day.

Can I throw my recycling straight in the bin?

No, please empty any contents and wash it first. If your recycling is contaminated with food or other materials, we can't recycle it.

Can I leave large waste items on the pavement?

No, this is classed as fly-tipping. That's a criminal offence and you could be fined at least £400. Book a Bulky Items Collection and ensure items are left for collection within your property boundary and not on the pavement.

Why recycle?

It protects the environment by saving natural resources and reducing carbon emissions, creates jobs and is cost-effective too.

What happens to my recycling?

We take it to a Materials Recovery Facility (MRF) where it's sorted into different materials. These are reprocessed and turned into new things. Food waste is turned into energy and garden waste is composted so it can be used as a fertiliser by farmers.
